

## *Skrjabin Genootschap*

---

The Dutch Skryabin Society was established in Amsterdam, in the European Year of Music, on the 6<sup>th</sup> of January 1985.

Schellinkhout, January 15, 2007

The Skryabin Society is looking out for two or three new board-members.

The interim-board of the Dutch Skryabin Society has decided to transform the society into a Foundation European Skryabin Society.

This new foundation is to be established in Brussels, where Skryabin used to live and work for a few years.

The transformation has partly been caused by the current economic climate where the Dutch music-culture is concerned.

The first draft of new statutory rules is waiting at a notary public in Hoorn, to be signed when the board has been completed. The costs will be shared by the resigning and the new board-members,

The foundation's activities, a. o., consist of the organizing of two recitals each year, commemorating Skryabin's and Chopin's days of death (resp. 27-04 and 17-10).
