Dear Ladies and Gentlemen!

We would like to greet you as our permanent foreign partners in the field of studies and outreach of Scriabin's legacy and his creative ideas.

We are happy to inform you, that in 2011/12 we are holding a series of gala events dedicated to 140<sup>th</sup> anniversary of Scriabin's birth. The main of them is planned as a large exhibition (December 28<sup>th</sup> 2011 – January 06<sup>th</sup> 2012) opened in Moscow's most respected show centre - "New Manege" (<http://www.new-manege.ru>) occupying 1500 sq.m. Various exhibitions (represented by us and other foremost museums of Moscow) concerts, press conferences, contemporary color music performances— all this would be a part of the whole occasion.

We would also like to represent (before the public) all those who share Scriabin's ideas over the world. Therefore we kindly ask your permission to mention you as our welcomed partner. It would be great if you send us your logo – so, that we could place it on a stand, representing our foreign contacts. Strict observation of copyright laws is guaranteed. It is also absolutely free of charge.

We wish you all the best, every kind of benevolence in you work and hope for the time to come – to share some interesting creative projects with you. If you need any help or assistance in any questions, considering Scriabin's legacy – have no hesitation to contact us.
