Chamber Music Academy

The programme of our international academy, which forms a part of the Zermatt Festival every year, includes masterpieces of chamber and orchestral music.

Over a two-week period, thirty young, talented musicians from all over the world rehearse and perform a series of exciting concerts of the highest standard under the guidance of the Scharoun Ensemble Berlin. In doing so, they revive a local tradition: in the 1950s, Pablo Casals and other famous musicians from that time used to hold masterclasses here at the foot of the Matterhorn.
