Hi Rolf,

Just a quick message to make sure you do not miss the opportunity to watch Leif Ove Andsnes' live performance of Rachmaninoff's Piano Concerto no 3 (recorded February 2009 in Stockholm) which is freely available online until May 12.

Our in-house blogger Patrick Jovell attended this amazing performance and writes a short comment about his own experience of this piano concerto.

Read, watch and listen:

Have a nice weekend!

Best wishes,
