Subject: to whom it may concern

The A.N. Scriabin Memorial Museum in Moscow has the honour to respectfully invite The Foundation European Skryabin Society residing in Amsterdam to official partnership. This invitation felicitously coincides with the Netherlands-Russian bilateral year 2013.

We share the goals of compilation and outspreading of the A.N. Scriabin's musical legacy and creative principles and we were happy to witness the great amount of work carried out by The Foundation European Skryabin Society for these noble purposes.

Our partnership and collaboration have excellent prospects for consolidation of an integrated cultural environment between the EU countries and the Russian Federation and can mark a new stage in development of the worldly Scriabiniana.

Yours sincerely

Alexander Lazarev
