

Composer Skryabin Museum to Open in 2012

18.10.2010

The museum building will be constructed in the center of Moscow in the year of the musician's 140th anniversary.

The new building of the memorial museum of composer Skryabin will open in the center of Moscow on the City Day in 2012. The museum director Alexander Lazarev has told about it.

There will be a music and art informational center, a concert hall, an archive, a record library and restoration workshops in the museum.
